

To our valued patients...

Nova Dental has flourished into a respected and impressive 11-doctor practice. These doctors represent a wide range of specialties, and offer the convenience of meeting all you and your family's dental needs under one roof. We are proud to say that we have 2 oral surgeons, 3 orthodontists, 2 prosthodontists, 1 pediatric dentist, and 3 general dentists. You never have to look further than Nova for fillings, root canals, extractions, crowns, veneers, bridges, implants, braces, invisalign, wisdom teeth extractions, sedations, deep cleanings, dentures, whitening, and much more.

As well as our office in southern Connecticut growing in size, Nova Dental has also expanded into new territory in central Connecticut. Our second office is located at 136 Berlin Rd, Cromwell Ct. To make an appointment in Cromwell please call (860)358-9040. To see pictures of the offices, read bios on the staff, or just to see what is new at Nova Dental, visit our website at www.novadentistry.com or Like us on Facebook!
